

RE-ACTIVATION OF MINIMUM BALANCE ON ZINARA PREPAID CARD EFFECTIVE 20 MAY 2021

Below are the respective rules and examples explaining calculation of the minimum balance.

1. Individual Accounts

The minimum required balance for Zinara Cards whereby a VRN is linked to the card is based on toll fee of the highest class of linked VRNs multiplied by 2.

Vehicle Tax Class	Toll Fee	Min Balance per vehicle assigned on card
Motorcycles	ZWL 0.00	ZWL 0.00
Light Motor Vehicle	ZWL 164.00	ZWL 328.00
Minibuses	ZWL 246.00	ZWL 492.00
Buses	ZWL 328.00	ZWL 656.00
Heavy Vehicles	ZWL 410.00	ZWL 820.00
Haulage Trucks	ZWL 820.00	ZWL 1,640.00

In the case where the card is not linked to a specific VRN, also called a Golden Card, the minimum required balance is the equivalent of the Class 6 Vehicle Class fee (highest toll fee)

2. Corporate Accounts

The minimum balance required for Zinara Cards whereby the account is registered to a corporate, will be calculated on a 7-day weighted average. Therefore, the minimum balance for any corporate card/ account will be calculated at a third of the weighted average of the last 7 days.

Total Toll fees last 7 days	Min Balance Required
ZWL 1,000.00	ZWL 328.00
ZWL 5,000.00	ZWL 328.00

ZWL 50,000.00	ZWL 2,380.95
ZWL 100,000.00	ZWL 4,761.90

NB: When the calculated minimum balance is below the minimum balance of an individual account, the system will default the minimum balance to match that of an individual account. i.e., ZWL 328.00.
